The following is a brief description of the benefits of the International Student Accident and Sickness Insurance Program (INT Basic 50K Plan) which has been designed especially for all registered international students. This plan is underwritten by THE COMPANY. The exact provisions governing this insurance are contained in the Master Policy issued to Promotion University by The Company and may be viewed online at **www.AIPstudentinsurance.com**.

ELIGIBILITY

INTERNATIONAL STUDENTS (those who are not United States citizens or permanent residents of the United States) ARE REQUIRED to maintain approved comprehensive health insurance coverage continuously while enrolled and attending Promotion University. **This plan will satisfy the insurance requirement.** If you wish to purchase more comprehensive benefits, international students are also eligible for The Promotion University 50K and 500K insurance plans which may be reviewed and purchased at **www.AIPstudentinsurance.com**.

All registered and enrolled International students of Promotion University are eligible and are encouraged to enroll in this insurance plan (no minimum hour requirement.) The Company maintains the right to investigate student status and attendance records to verify that Policy eligibility requirements have been met. If the Company discovers that the Policy eligibility requirements have not been met, our only obligation is a refund of premium.

Eligible international students who enroll may also insure their Dependents. Eligible Dependents are the spouse (residing with the Insured student) and unmarried children under 25 years of age, including an unmarried grandchild under 25 years of age. Dependent coverage starts and expires concurrently with that of the Insured student. If the Insured Person is a covered person prior to the moment of birth, the newborn infant will also be covered under the terms of this policy.

Once you purchase one of the Promotion University insurance plan options, you will be unable to change to another Promotion University Plan option during the 2010-2011 Policy Year unless, as a graduate student, you begin employment with Promotion University, and become eligible for the Graduate Student Insurance (GSI) Plan. Dependents are eligible to purchase the same coverage purchased by the student. Coverage must be the same for all family members.

IMPORTANT NOTE REGARDING ELIGIBILITY OF GRADUATE STUDENTS:

A separate plan, the Graduate Student Insurance (GSI) Plan, is also available to Graduate International Students both employed and not employed by Promotion University. This plan can be accessed at **www.AIPstudentinsurance.com**.

Graduate Student Employees are not eligible for the State contribution until the first of the month following their first 90 days of employment by Promotion University. Graduate students employed by Promotion University for longer than 90 days will receive a State contribution towards their premium payment. These students SHOULD NOT enroll through this website.

NOTE: For the first 90 days of enrollment prior to becoming eligible for the state contribution towards premium payment, employed Graduate International Students may enroll in either The International Student Plan, or The Graduate Student Plan. Premium payment will be their responsibility. Graduate Students may enroll in any of these plans through their Human Resources Office.

CONTINUOUS INSURANCE

Persons who have remained continuously insured under the Policy, and have prior Creditable Coverage, will be covered for a Pre-existing Condition that originated while so continuously insured, provided continuous insurance is maintained.

Previously Insured persons who are re-enrolled for coverage within 63 days of termination of prior coverage, will have maintained continuous coverage. A person who is not so re-enrolled will have a break in continuous insurance and will not be covered for any Pre-existing Condition that originated before or during such break.

No Benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Policy.

Previously insured Eligible Students and Dependents must re-enroll for coverage within 30 days of the end of the prior coverage in order to avoid a break in the coverage for conditions which existed in prior Policy Years. OPTIONAL DENTAL/VISION/PHARMACY DISCOUNT PLAN

(Additional premium required)

No Claim Forms
No Waiting Periods
No Pre-existing Conditions
No Deductibles or Maximums
No Age Restriction
Discount is immediate at time of service
Over 100,000 participating providers nationwide

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today's College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending Promotion University.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the "Collegiate Plan" we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here's how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You get your discount/savings on the spot. There are no exclusions for "pre-existing" conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
